1. Introduction

The MultiChoice Group Limited (MCG) and MultiChoice South Africa Holdings (Pty) Ltd (MCSAH) boards are responsible for the appointment of directors to their respective boards, subject to shareholder approval. The process for board appointments is formal and transparent, and has been delegated by MCG and MCSAH to the MCG nomination committee. The MCG company secretary assists with much of the administrative work as instructed by the chair of the nomination committee. The nomination committee makes recommendations for the appointment of new directors to the relevant board.

The MCG company secretary is responsible for the administrative work related to the induction process as detailed herein.

2. Appointment process

- 2.1. The nomination committee annually reviews the composition of the MCG and MCSAH boards in respect of required expertise and diversity of the relevant board. Interim requirements are addressed as and when appropriate.
- 2.2. Board members are expected to assist with the identification and nomination of potential candidates.
- 2.3. The nomination committee screens candidates to compile a shortlist. Background and reference checks (a “fit and proper” clearance) are performed by an independent third-party service provider appointed by either MCG or MCSAH and independent of the candidate.
- 2.4. In preparing a short-list of candidates, the following factors, amongst others, are considered:
 - 2.4.1. candidate is not disqualified in terms of the Companies Act 71 of 2008 (the Act);
 - 2.4.2. qualifications;
 - 2.4.3. number of existing directorships;
 - 2.4.4. expertise and ability to add value to the board;
 - 2.4.5. track record which exhibits integrity and independence;
 - 2.4.6. collective knowledge, skills and experience required by the board;
 - 2.4.7. diversity of the board as a whole; and
 - 2.4.8. whether the candidate meets the appropriate fit and proper criteria.
- 2.5. Interviews are conducted with the chair of the board and chief executive officer.

- 2.6.** Short-listed candidates must:
- 2.6.1.** provide details of professional commitments and a statement that confirms that the candidate has sufficient time available to fulfil the responsibilities as a member of the relevant board(s);
 - 2.6.2.** not hold more than four (4) active directorships on companies (including MCG) listed on any local or foreign regulated exchange such as the JSE; and
 - 2.6.3.** demonstrate that they understand what is expected of them and confirm that they are willing to make the necessary commitments, and will have available the time required to discharge their responsibilities.
- 2.7.** The board considers the proposal and determines interim appointments. Interim appointments are subject to shareholder approval at the next annual general meeting (AGM). A brief professional profile of each candidate standing for election at the AGM, including details of existing professional commitments, should accompany the notice of the AGM, together with a statement from the board confirming whether it supports the candidate's election.
- 2.8.** The MCG company secretary arranges Schedule 13 declarations in terms of the JSE Limited's (JSE) Listings Requirements and the "fit and proper" clearance. Final feedback is given to the nomination committee to confirm the appointment(s).
- 2.9.** A formal appointment procedure is activated and attended to by the company secretary:
